

Councilwoman Bonner Joins Heritage Park Plant-in

posted on 4/28/2010 4:52:33 PM

FARMINGVILLE, NY - Councilwoman Jane Bonner joins with 4th Grade student council students of Mount Sinai Elementary School for a "plant-in" at Heritage Park on Thursday, April 22nd. This horticultural effort was in support of Chairman Fred Drewes, Heritage Trust Committee's "Avenue of America" Project. The "Avenue of America" initiative involves the dedication of a part of the park's perimeter-path in honor of the 50 US States. Flying in pairs along the path will be National, State, and historical American flags, along with installation of small informational kiosks, and the planting of over 200 trees and shrubs - with 17 trees representing 30 states.

At the April 20th town board meeting Councilwoman Bonner put forth a sense resolution in support of the "Avenue of America" project in Heritage Park. The sense resolution reiterates the Town's commitment "to supporting projects which will beautify, promote local and national pride and symbolize our freedom" which this project embodies.
